

SHOW YOUR SUPPORT in the Fight Against Breast Cancer

Breast cancer is a disease that affects millions and has hit home for far too many people. Whether we have faced it ourselves, or someone we love, almost everyone has been affected by breast cancer in some way.

During the month of October, we will create a beautiful memorial rock garden in the front of the North Myrtle Beach Aquatic & Fitness Center. Your donation of \$20 includes a PINK painted rock for you to personalize. Add your rock to our garden for the month of October. At the end of the month take your rock home as a treasured memory of someone special. Additionally, when you purchase a rock, you will receive a fun tote bag that shows your support.

Proceeds from our rocks will be donated to **Caring in Our Lifetime.**

Caring In Our Lifetime is dedicated to raising funds and providing financial assistance with medical expenses to individuals in Horry and Georgetown counties affected by breast cancer. Your kindness and generosity helps bring us one step closer to winning the battle against breast cancer. By donating to Caring in Our Lifetime you are helping make a difference locally in the fight against breast cancer. <http://www.caringinourlifetime.com/>
